Busy Bee Camp

For children entering grades 1-5

Busy Bee camp is a Glen Rock institution that provides an all-inclusive high-quality day camp experience in the convenience of a local Glen Rock setting. Designed for children entering grades 1-5, the daily "routine" is anything but! A wide variety of games, sports, arts and crafts and more keep the campers busy throughout the day and the summer. Campers will enjoy bowling, yoga, dance, gardening, sports, games, and more. Campers are bused to the Glen Rock Pool for swimming instruction and water play four afternoons each week. In addition, a special weekly outing is planned to amusement parks, ballparks, zoos and many other great places for summer fun. Children bring their own lunch except for Pizza Wednesdays; snacks are provided daily. Each camper receives a camp T-shirt; additional shirts may be purchased at the camp. Director Rosemary Hillman brings many years of experience to the program; she is supported by high school and college student counselors in a low camper/counselor ratio. All staff members are CPR certified. *All costs, including trips, admissions, transportation, weekly pizza lunch and on-site activities are included in our fee.*

Camp runs 9 a.m. - 4 p.m. for eight, one-week sessions, June 26-Aug. 18

Hamilton Elementary School, Glen Rock

\$320 for full week

\$260 for 4-day week of July 3 (no camp July 4)

Junior Busy Bee Camp

For children entering kindergarten or will be age 5 by Oct. 1, 2017

Our Busy Bee Camp for junior campers provides a daily program similar to Busy Bee, but geared to meet the needs of the younger camper. The weekly schedule follows a theme, and includes arts and crafts, computers, games and sports, enrichment, bowling and camp visitors. We go to the Glen Rock Kiddie Pool on all but field trip days for water play, and the children receive small-group swimming lessons in the shallow end of the Glen Rock pool twice each week. Weekly age-appropriate field trips add to the fun-filled weeks. Time for rest and quiet activities rounds out each camp day. Experienced adult staff is joined by an appropriate mix of high school and college students. All are CPR certified. *All costs, including trips, admissions, transportation, weekly pizza lunch and on-site activities are included in our fee.*

Play Camp

For children ages 3 and 4

Play Camp offers a unique summer experience for our youngest campers. A balance of indoor and outdoor activities includes arts and crafts, games, music and water play. Fundamentals of motor skills and perceptual development are included in this valuable play experience with children of similar ages. Play Camp provides summer fun and a terrific introduction to both summer camp and preschool experiences. Playcamp leadership is certificated in Early Childhood and Elementary Education and is assisted by experienced counselors. Each week at camp includes art classes through Abrakadoodle Art. Children must be toilet trained and bottles and pacifiers are not permitted at camp.

Camp runs 9 a.m.-12 p.m. for eight, one-week sessions, June 26-Aug. 18.
